## RHSC Supports...March Celebrations

Come celebrate with us!

**World Hearing Day** - Celebrated on 3/3 to remind people to take care of their hearing, since unaddressed concerns could lead to hearing loss and ear disease.

**Development Disabilities Awareness Month** - Be a Super Hero! This campaign highlights the many ways in which people with and without disabilities come together to form strong, diverse communities. #DDawareness2021

## Employee Spotlights

Celebrating Front End Staff

Congratulations Tammy Beckford, Amy Micali, and Riley Finnegan.

Rochester Hearing and Speech Center not only provides excellent, evidence-based care, but we also work to make each client feel well cared for throughout their experience with us. The first faces that greet you and the warm voices on the phone to confirm appointments and answer questions are those of our front-end staff. We hear from clients very regularly about the excellent customer service that our front-end staff members provide and how helpful, kind and caring they are. We are very proud of this, because these experiences are an integral facet of each client's care, enhancing client engagement and comprehensive treatment, from the moment they call or walk through our doors. Our front-end team is essential to our office running smoothly and we are grateful for all of the work that they do with a smile – even if it can't be seen under their masks.
